**Classes fees for School Year 2010 - 2011:**

Minimum enrollment is 5 students for each offered course class\*. Maximum enrollment is about 20 students for each offered class.

**All prices are per student, per individual course class for the entire school year.**

Enrollment at:

5 to 8 students ..... \$675/ year  
9 to 13 students..... \$565/ year  
14 to 20 students..... \$455/ year

\*) If there are less than 5 students still interested in the class, we can discuss the possibility of having the class at a small additional fee.

Note: The Physics class is the only one having an extra \$ 45/ year charge for hazardous material and lab fee.
